

REMARKS

The Examiner has objected to Claim 62 with regards to the spelling of the word "potash". The word "potash" is misspelled in Claim 61, and applicant has amended the claim accordingly.

The Examiner has provisionally rejected the claims on the ground on non-statutory obviousness-type double patenting over copending application 10/271,072.

Applicant submits a terminal disclaimer to overcome this rejection.

Applicant believes that the application is now in condition for allowance.
